Box Non-Fee Amendment

Commissioner for Patents Washington, DC 20231

Dear Sir:

In response to the Office Action dated January 30, 2003, please amend the above-identified U.S. patent application as follows:

In the Specification

Please replace the original Abstract with the following amended Abstract:

(Amended) The present invention includes a system and method for facilitating financial transactions including a device configured to interface with a multi-use card, using information from a multi-use card to access a database that includes account information for accounts at multiple financial institutions, presenting the associated account information to a user, accepting a selection from the user of a selected account and posting the charges onto the selected account.
